HEADLINERS

AWARDS, APPOINTMENTS AND NEW INVESTIGATORS

September 24, 2012 Release

AWARDS

Dr. William Fraser receives the 2012 CSCI Distinguished Scientist Award

August 2012 – The award was given to Dr. Fraser by the Canadian Society for Clinical Investigation in recognition of his outstanding contribution to pushing back the frontiers of knowledge and the esteem he enjoys in his field as an expert, innovator and leading investigator as a Canadian MD or PhD medical scientist.

Dr. Philip Awadalla receives the 2012 CSCI Joe Doupe Young Investigator Award

August 2012 – The award was given to Dr. Awadalla by the Canadian Society for Clinical Investigation for having accomplished a significant and innovative piece of work within eight years of his first academic appointment.

Dr. Sylvie Lemay, honor graduate at the 25th anniversary of her graduation class at the University of Montreal

July 2012 – Dr. Lemay was among eight of the 8,000 graduates of the class of 1987 whose career and achievements were highlighted.

APPOINTMENTS

Dr. Maryse Lassonde appointed an Officer of the Order of Canada

June 2012 – Dr. Lassonde’s appointment is meant to recognize her world-class achievements in neuropsychology, outstanding dedication to the community and exceptional contribution to Canada.

NEW INVESTIGATORS

Musculoskeletal Disorders and Movement Sciences Research Axis

Drs. Laurent Frossard, Marie Laberge and Lucie Ménard join the ranks of the Research Center

September 2012 – Given the nature of their research, the three researchers will be working at the Marie-Enfant Rehabilitation Center. Dr. Frossard focuses on the biomechanics of locomotion in children with lower limb amputation. Dr. Laberge focuses on the workplace integration of handicapped pupils. Dr. Ménard focuses, in particular, on cognitive robotics and speech during development.
